No. Of Students: 35

**Introduction:** In collaboration with our college's internal quality and assurance cell, the department of commerce has been offered an add-on certificated course on Office Automation. The course has been attended by students of various streams. The classes were taught by Dr. Bharat Bhushan, who is working as Guest Teacher, Computer Application. After completion of course duration, certificate were also issued to the participating students. The course aimed at providing in depth knowledge of Tally ERP 9 accounting software and GST laws with its implications.

**Objectives**

- To impart knowledge in Financial Accounting concepts.
- To provide practical knowledge on operating of Tally ERP 9 software.
- To teach students how to use Tally ERP.9 software to build a firm, submit accounting voucher entries, including advance voucher entries, reconcile bank statements, perform accrual adjustments, print financial statements, etc.

**Outcome of the Course:** After completing the certificate course the students will be able to

- To work on Tally ERP 9 software and perform tasks like creating company, post accounting entries with adjustments etc.
- Reconcile bank statements, do accrual adjustments, and also print financial statements, etc. in Tally ERP.9 software
- Students will be equipped with the necessary knowledge and abilities to work as Tally data entry operators.

**Certificate Course on Office Automation**

Course Coordinator : Dr. Bharat Bhushan

Course Duration : 30hrs From 15/05/2023 to 20/06/2023

No. Of Students: 35

**Introduction:** In collaboration with our college's internal quality and assurance cell, the department of commerce has offered an add-on certificated course on Office Automation. The course has been attended by students of various streams. The classes were taught by Dr. Bharat Bhushan, who is working as Guest Teacher, Computer Application. After completion of course duration, certificate were also issued to the participating students. The course aimed at providing knowledge on office management and software on which day to day office work are performed.

**Objectives**

- To provide knowledge on basics of computer, its components and functioning.
- To provide in depth training of operating systems and office applications like MS Word, MS Excel and MS-Powerpoint.

**Outcome of the Course:** After completing the certificate course the students will be able to

- To work on office software and to create and modify documents, spreadsheets and presentations.
- Perform job as a computer operator or assistant in a office, handle documents, spreadsheets, make presentations and communicate through internet.
- Start their own kiosk centre and earn income by providing various online services.

## एडऑन कोर्स की रिपोर्ट

महाविद्यालय के शारीरिक शिक्षा एवं खेल विभाग द्वारा दिनांक 01.05.2023 से 26.05.2023 तक "Physical Education And Wellness" विषय पर एडऑन कोर्स का आयोजन किया गया। जिसमें थ्योरी कक्षाओं के अलावा छात्र/छात्राओं को खेलों एवं फिटनेस संबंधी मैदानी अभ्यास भी कराया गया।

छात्र/छात्राओं को थ्योरी क्लास के अंतर्गत शारीरिक शिक्षा की मूल अवधारणा एवं उसके महत्व के विषय में विस्तार पूर्वक विभिन्न कक्षाओं में अवगत कराया गया। साथ ही शारीरिक दक्षता (Physical Fitness) एवं सामान्य जीवन में उसकी उपयोगिता के विषय में जानकारी देते हुए उन्हें फिट (स्वस्थ) रहने के विभिन्न तरीकों से अवगत कराया गया। साथ ही कबड्डी एवं बॉलीवॉल खेल विधाओं के मूल स्टिकल्स आदि का अभ्यास कराया गया।

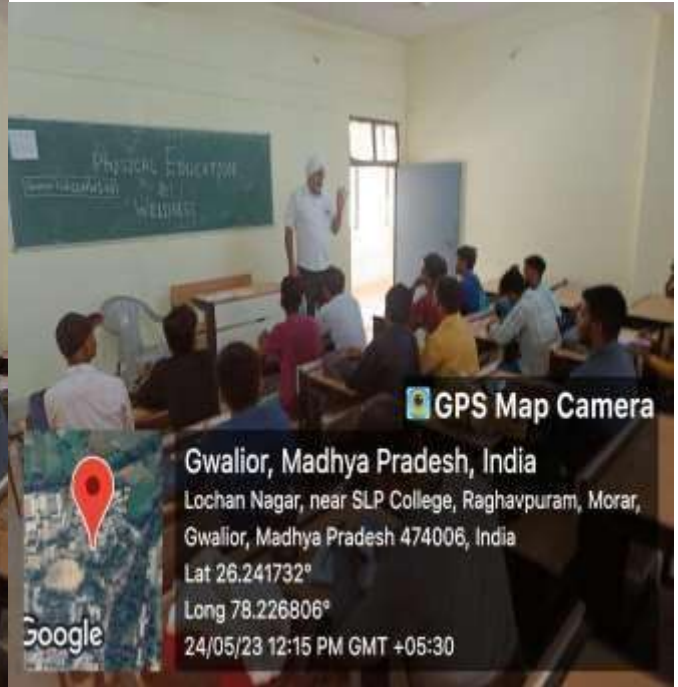

सैद्धांतिक विषय में न्यूट्रीशन विषय पर विस्तार पूर्वक छात्र/छात्राओं को अवगत कराया तथा दैनिक जीवन में संतुलित आहार (Balanced Diet) एवं उसके विभिन्न अवयवों के बारे में छात्रों को उसकी स्वस्थ शरीर में उपयोगिता के बारे में बताते हुये, संतुलित आहार संबंधी छात्रों के विभिन्न प्रश्नों, जिज्ञासाओं एवं गलत फैहमियों का उत्तर एवं उपयुक्त समाधान किया गया।

कोर्स के अन्तिम दिनों में छात्र/छात्राओं से मनोविज्ञान एवं खेलों में उसके महत्व की विस्तार पूर्वक चर्चा की गयी तथा किस प्रकार मनोविज्ञान खेलों एवं खेलों के प्रदर्शन को प्रभावित करता है। एवं किस प्रकार खेलों की Performance को प्रभावित करता है? और किस प्रकार एक अच्छे खिलाड़ी में विकसित होते हैं। विषय में विस्तृत जानकारी दी गयी। अन्त में खेल मैदान पर छात्र/छात्राओं को ले जाकर, विभिन्न शारीरिक क्रियाओं (Excercise) एवं उन्हें करने के तरीके बताये गये। जिसमें छात्र/छात्रायें को अपने जीवन में शारीरिक शिक्षा के महत्व को समझ कर, स्वस्थ शरीर में स्वस्थ मस्तिष्क का विकास कर सकें। तथा समाज एवं देश में एक उच्च कोटि का नागरिक बनकर देश सेवा कर सकें।

एडऑन कोर्स में 28 छात्रों ने भाग लिया कोर्स के अंत में प्रतिभागियों को प्रमाण-पत्र वितरित किये गये।

**ADD ON COURSE  
VERMIFARMING  
SUMMARY REPORT**

**COURSE CODE (22 CVC05)**

**COURSE COORDINATOR- DR. MANISHA DESHPANDE**

**NO.OF STUDENTS ENROLLED - 29**

**COURSE DURATION- 30 HRS.(From 11/05/2023 To 05/05/2023)**

**INTRODUCTION.** -The department of Zoology in association with the IQAC cell of S.L.P. Govt. P.G. College Morar, Gwalior offered an Add on certificate course on VERMIFARMING for the students of all faculties. Theory and practical classes both were conducted by faculty members of Zoology Department. Practical teaching was performed at the vermicomposting pit established at College campus. After the completion of course, and examination was conducted for the evaluation of the students.

The main aim of the course is to provide students, basic knowledge of vermifarming so that they can establish their own unit and earn their livelihood by producing and selling vermicompost which is in high demand these days.

**OBJECTIVES :-**

- ❖ To encourage students to use vermicompost to protect the fertility of soil.
- ❖ To create opportunities for employment among students .

**OUTCOME OF THE COURSE-:**

After completing the course, students will be able to

- ❖ Establish their own vermifarming unit.
- ❖ Give guidance and employment to others.

## Summary report of Add on course

### Session 2022-23

**Title of course :**lab technique in chemical analysis

Course Coordinator: Dr.Muzeeb Khan, Assistant Professor in Chemistry

Course Duration: 30 hrs (From17/05/2023 to 30/06/2023)

Number of students: 56

**Introduction:**The value-added course on **lab technique in chemical analysis** was conducted by the department of chemistry in association with the internal quality assurance cell of S. L. P. College.This course offered to the scienceunder graduate and post graduate student. During the course, students learnt about basic laboratory techniques used in the chemistry such as spectrophotometer, pH meter, conductometeretc.andalso solution preparation, chemical process, safety measure in chemical laboratory etc.At the end of the course assessment was conducted through oral test, assignment and viva-voce. All students successfully completed course and certificate were also issued them.

#### **Objectives:**

The course provided training to students on many different kinds of laboratory techniques and safety measure in chemical analysis.

**Outcome of the course:** Students who complete the training program should gain the necessary skills

1. Students become familiar with the safety measure in laboratory and professional ethics.
2. To impart knowledge about the basics of chemical analysis and its applications.
3. To train students to prepare standard solutions and solutions of various dilutions.
4. To give insight into the principle of qualitative and quantitative analysis.
5. To acquaint with some of the instruments, its operation and applications.

## Summary report of Add on course

Session 2022-23

**Title of course :water quality assessment**

Course Coordinator: Dr.Rajeev Kumar Bhadkariya, Assistant Professor in Chemistry

Course Duration: 30 hrs(From 29/05/2023 to 30/06/2023)

Number of students: 39

**Introduction:**The value-added course on water quality assessment was conducted by the department of chemistry in association with the internal quality assurance cell of S. L. P. College.This course offered to the scienceunder graduate and post graduate student. The students brought drinking water from their localities and conducted various water quality parameter analysis like: colour, odour, pH, TDS (ppm), EC ( $\mu\text{s}/\text{cm}$ ), Salinity, Total hardness etc. and submitted the report of analysis in a record maintained in the department. the faculty members in the department of chemistry were handled the classes. At the end of the course assessment was conducted through oral test, assignment and viva-voce. All students successfully completed course and certificate were also issued them.

### **Objectives:**

The objective of course is to give training about water analysis with hand on experience onstandard methods and modern methods.

**Outcome of the course:** Students who complete the training program should gain the necessary skills

1. Recognize and define the quality parameters used to characterize drinking water and waste water.
2. To analyze the chemical and physical parameters in water sample
3. Describe and explain how biological waste water is collected and preserved in laboratory for determination of various parameters.
4. Make solution of different concentration, handling glassware, equipment and instruments used for determination of various parameters.

## Summary report of Add on course

### Session 2022-23

**Title of course:** Dairying Chemistry (21CDC1)

Course Coordinator: Dr.P. D. Shakya, Assistant Professor in Chemistry

Course Duration: 30 hrs(From 29/05/2023 to 30/06/2023)

Number of students: 34

**Introduction:** The value-added course on Dairying chemistry was conducted by the department of chemistry in association with the internal quality assurance cell of S. L. P. College. This course offered to the science under graduate and post graduate student. The faculty members in the department of chemistry were handled the classes. At the end of the course assessment was conducted through oral test, assignment and viva-voce. All students successfully completed course and certificate were also issued them. This course aimed at providing a basic knowledge to establish Dairy unit and job opportunity in the field of milk and its product.

**Objectives:**

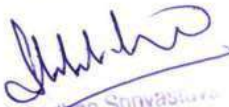

- Involved in operating an advance dairy farm and processing dairy product on a large and small scale.
- A variety of job opportunity including milk related food development, quality control, consulting in dairy products, milk procurement supervisor, milk tester, dairy plant operator/technician/supervisor, product technician (ice-cream /cheese/ butter/indigenous dairy products unit)

**Outcome of the course:** Students who complete the training program should gain the necessary skills

- to start their own milk and its related product unit and also create their own income.
- acquire knowledge in understanding the physico-chemical aspects milk and milk products processing
- Expand the knowledge for preparation of different dairy products.
- To impart basic knowledge on all aspects of milk carbohydrates, minerals etc.

**Report –Medicinal Plants(22 MEDP13)**  
**(Session 2022-23)30 Hours Add on certificate course**

Course Coordinator: Prof. B.B. Gupta Assistant Professor in Botany

Course Duration: 30 hours (04 May 2023-30 June 2023)

Number of students Registered: 36

Introduction: The department of Botany in association with the internal quality assurance cell (IQAC) of Shyamlal Pandviya Govt. P. G. College offered Add on certificate course on "Medicinal Plants" for the ofBSc. students. Performance of students was recorded on the bases of quiz, offline and oral test. 20 students successfully completed the course and certificates were also issued them. This course aimed at providing a basic understanding of various plants and their parts used to treat common health problems like pain, cough, cold, wound healing and fever.

**Objectives:**

1. To provide students with the knowledge of locally available medicinal plants.
2. To provide students with the knowledge of collection and processing processes.
3. To provide students with the knowledge of herbal drug industry.
4. To promote students to cultivate and protect this flora.

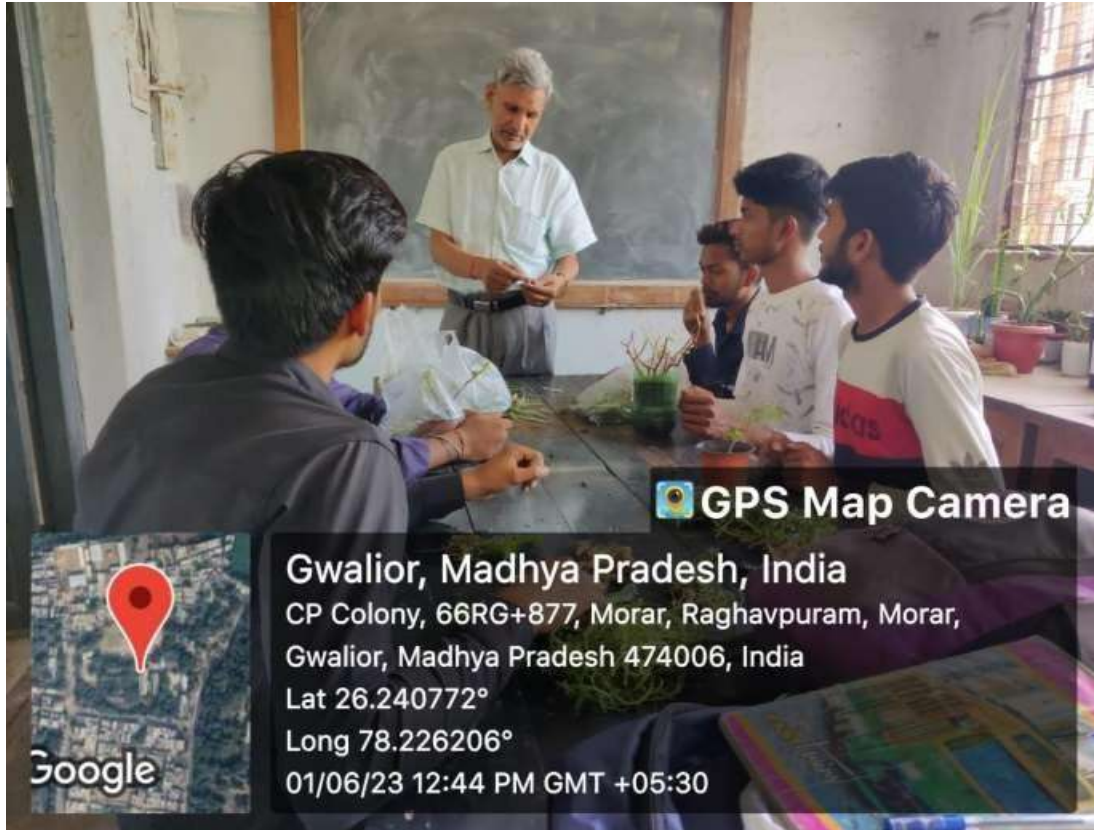

**Outcome of the course:**

- Identify some medicinal plants of their locality.
- Understand the importance of these plants.
- Explore job opportunities in cultivation; processing and marketing of products.
- The students will be able to contribute in protection of such plants.

**Department of Economics**

**Session : 2022-23**

**Report of Add On Course: Economics of Tourism , 22ECT15**

**Course Coordinator** : Dr.Ajay Kumar Tripathi, Professor, Dept.of Economics

**Members** : Dr.Kamini Parashar, Associate Professor, Dept.of Economics  
Dr.Devendra Singh Gurjar, Assistant Professor, Dept.of Economics

**Course Duration** :30 Hours (From 26.05.2023 to 26.06.2023)

**Number of participants** : 254 (19 M, 05F)

**Introduction :**

The Value Added Course on Economics of Tourism was conducted by the Department of Economics with the active guidance from IQAC of this college. This was offered to the undergoing Post Graduate students of this college. Total 25 students were registered ( 20 Male and 05 Female).Classes were taken in hybrid mode followed by an oral test and group discussion of all. All students were adjudged successful.

**Objectives:**

1. To understand the theoretical knowledge about Economics of Tourism;
2. To Understand the economic importance of tourism.
3. To have knowledge of a distinct paper

**Program Outcome**

This add on course enables the students to understand tourism as an economic activity and also various dimensions related to it.

**Program Specific Outcomes**

- 1.Students attain knowledge of tourism as an integral part of Economy and Economics.
- 2.Students become able to use their knowledge of Economics of Tourism as an industry and tourism policy and also education related with tourism

**Names/List of the Students Enrolled:** List is enclosed

**N.B.** Certificates have been distributed to the students. Some of the certificates are however to be collected by the students.

Thirty hours add on certificate course

Course coordinator: Dr. B.K.Bhardwaj professor,  
physics

Course duration 30 hours( 03/10/2022 to 31/1/2023

number of students registered: 21

Introduction :The department of physics in association with the Internal Quality Assurance Cell (IQAC) of Shyam Lal Pandviya Government P.G,Colleg,Morar offered add on certificate course on" Forensic science (Questioned Documents)" for B.Sc. , B.A., B.Com. students. Performance of students was recorded on the basis of quiz, offline and oral test with group discussions. 21 students successfully completed the above course and certificates are also issued them. This course is aimed to provide basic understandings of forensic science as well. Lawyers, NGO functionaries and volunteers, Police, Home Guards Social Workers, environmental working people.

Objectives: 1. To provide students basic knowledge of forensic tools as crime scene sample collection.

2. To provide understanding of forgery cases in questioned documents.

3. To provide collaboration with investigating agencies.

4. To understand graphology for handwriting forgeries.

**Course Learning Outcomes:** After Completion of the course, the students will be able to:

1. Get in depth understanding about the various aspects of forensic science including fraudulent documents (forgeries) and identification procedures in this field.
2. Develop thorough understanding about the Human responses about forgeries and prevention measures.

# Summary Report Of Add On Course

## Session 2022-23

### 1. Social problem in Indian society (22SP118)

**Course Coordinator:** Dr Pratibha Soni (guest faculty - Sociology)

**Course duration:** 30 hrs (1/06/2023 To 06/07/2023)

**Number of Students :** 52

**INTRODUCTION :-** The Department of sociology in association with IQAC of Govt. S.L.P. P.G. College offered Add-On certificate course on “social problems in Indian society” to the arts under graduate and post graduate students classes were held by the faculty of department. At the end of course examination was conducted. All students successfully completed course and certificate were also issued to them. Motive of this course is to make students aware of problems around the society.

#### **Objective:-**

- To develop a comprehensive understanding about problems in Indian society among students.
- To make them able to apply critical thinking skill to social phenomena.

**Outcomes Of The Course:** After completing this course-

- Students will be able to apply critical thinking skill to social problems.
- They will also be able to learn how to cope with problems in Indian Society.
